

Trauma Resolution

New Tools - Extraordinary Results

Your Non-Profit's Path to Extraordinary Service

Great Life Technologies, Inc
Trauma Resolution Training
February 15-19, 2010
9:00 am - 6:00 pm
Carlsbad, CA

How you will benefit:

- Be exposed to the latest break-through approaches to trauma and anxiety resolution
- Gain the ability to identify and help resolve debilitating trauma related symptoms in yourself and others
- Improve your organizations ability to help change the lives of those you generously serve
- Learn new tools that will help produce extraordinary results in your work place and your community
- Give your non-profit organization a competitive edge in obtaining donor dollars and grant funding by teaming up with Great Life Technologies. We have the solution you have the community in need.

What you will learn:

- Trauma Resolution Techniques™ that can be used in helping resolve any kind of trauma
- Understand the origin of these techniques and why they work
- Observe demonstrations and see first hand the powerful and permanent affect of these techniques
- Learn to identify over 30 symptoms specifically related to trauma, anxiety and stress resolution
- How to use the mind body connection to enhance your effectiveness

Simple - Effective - Proven
